Mr. L. W. Beman
Regional Director
National Labor Relations Board

Chicago, Illinois

Dear Mr. Beman:

I was out of town until this morning and consequently could not answer your telegram.

Enclosed are revised galley proofs of the hearings of September 24th and 25th. In Exhibit #191 you will find records of the sales of gas to the Bendix people. You will also find references to Bendix and Kasdorf in exhibits which follow and in the testimony of the gas people.

Your order for ten sets of hearings, including the Preliminary Hearings, is hereby acknowledged. It will be taken care of as soon as possible.

Very truly yours,

Harold Weisberg, Editor
Subcommittee of the
Committee on Education and Labor
Under S. R. 266
